

SAFE ROUTES TO SCHOOL SAFETY TIPS

Our School encourages students and families to safely walk, bike, or roll to school.

WALK SAFE!

Walk on The Sidewalk

Walk on the right in the same direction as traffic. If there is no sidewalk, walk on the left facing traffic.

Use The Crosswalk

Always cross at corners or at a marked crosswalk, where drivers expect you.

Look Before You Cross

Look left, right, and left again before crossing a street.

Make Eye Contact

Be sure drivers see you before stepping off the sidewalk.

BIKE SAFE!

Wear Your Helmet

It's the law. Helmets should fit snug, sit level on your head, and always be buckled firmly under your chin.

Be Visible

Wear bright clothing, use a headlight and a taillight.

Be Predictable

Obey all stop signs and traffic signals. Ride on the right, in the same direction as traffic. Follow the same rules of the road as car drivers.

Be Alert

Watch out for drivers turning left or right, or coming out of driveways. Avoid the door zone from parked cars. Yield to pedestrians.

DRIVE SAFE!

Respect The School Zone

Go slow and use extra caution.

Watch For Children

Stop for pedestrians in crosswalks and corners. Obey instructions from crossing guards.

Obey Traffic Laws

No parking in the red zone, bus loading zones, and crosswalks. Avoid illegal U-turns.

Follow School Guidelines

When dropping off or picking up students, always ensure that s/he exits or enters the car from the curb side.

BE SAFE! AVOID TEXTING, PHONE CALLS, OR OTHER DISTRACTIONS WHILE WALKING, BIKING, AND DRIVING.
