### **Why participate?**

The Walk-a-Thon is a fun family event and one of Alta Vista Home & School Clubs (AVHSC) biggest fundraisers of the year. The profits from your donations and pledges will go directly back to the students.

- Provides enrichment programs for Alta Vista students that supplement the schools core curriculum. The AVHSC provides funding for Art Vistas, Clay, Band, Choir, Drama, Music, Cornerstone, SPARK PE, organized lunchtime activities, assemblies, field trips and more!
- In addition to funding enrichment, the AVHSC sponsors fun family events throughout the year, including Back-to-School Movie Night, Multicultural Night, and Fantasy Faire.
- The AVHSC also supplies the funds to purchase much-needed technology for use in the classrooms, books for the library, and additional classroom supplies for the teachers, not otherwise provided by the district.

**We are only able to fund all of these great programs because of the support from you - our Alta Vista students, parents, and community.**  
**THANK YOU!!**
